Suroviny

1 teaspoon garlic chips
1 teaspoon onion flakes freshly ground
1 teaspoon celery seed freshly ground
2 teaspoons paprika
2 teaspoons chili powder deluxe
0,5 teaspoon cayenne--more if you like it really hot
0,5 teaspoon red chili peppers new mexican
1 teaspoon black pepper coarsely ground
1 teaspoon salt

Postup

I usually use garlic and onion flakes, black or gourmet mix peppercorns, and celery seed and grind them together in a spice, pepper mill, or a hand-powered coffee mill (this one gives the best control over the texture of the grind).

Combine all spices thoroughly. Store in a tight container.
